Our Story

In 2007, the London Referee Group, also known as the LRG, was established. This was the merger of the Forest City Referees Association (FCRA) and the London Hockey Referees Association (LHRA).

The LRG provides on ice officials for games at various levels of hockey, such as: minor hockey, high school, sledge, and adult. As an organization we strive to maintain an environment that embodies the core values of integrity, leadership, perseverance, respect and teamwork while enhancing self-esteem, promoting self-confidence and cultivating a lifelong passion for the game.

LRG members commit to representing the vision and mission of the London Referees Group. They encourage a high standard of ethics, closer cooperation, and understanding of the role of the referee among officials, coaches, players, parents, the community and the media. Membership requires a one-time application and statement of interest. Membership is open to all genders, ages 14 and up. As an organization, we are focused on developing and maintaining a membership consisting of experienced and capable on ice officials. They are advocates for the ideals of good sportsmanship and fair play through qualified officiating in hockey and respect for the authority of hockey officials at all levels of competition.
